[KidSport Red Deer and County](#) is a local chapter of KidSport Alberta. We provide grants to help cover the costs of registration fees so that all kids aged 18 and under in our area can play a season of sport. Our chapter accepts applications and administers grants for registration fees for kids who live in Red Deer, or in one of the other communities we serve. 100% of the funds stay in our funding area.

In 2024, our Chapter funded 321 kids for a total of \$113,185, which includes the facilitation of 86 Hockey Assistance Program payments totaling over \$36,500. All funds raised help to ensure we are able to continue providing support for families in need. Learn more about us [HERE](#).

**Canadian Mental
Health Association**
Mental health for all

CMHA is a non-profit organization promoting community wellness and supporting people with mental illness, brain injury, and addictions. Based on community needs, staff and volunteers accomplish this through recovery focused support, education, and advocacy. Please see page 2 for more information on the CMHA and how they propose to use the proceeds.

The CMHA Central Alberta anticipates using the donation proceeds it receives this year for the Systems Navigation program as a whole. Comprised of intake staff, a Systems Navigator, and a Crisis Counselor, this team supports individuals seeking mental health and/or physical assistance with issues that can have long-term impacts without this immediate help.

Thank you for supporting this program and CMHA's vision of mental health for all.
